Mozo Experts Choice Awards Travel Money & International Money Transfers 2023

Every day, Mozo keeps track of thousands of products in banking, insurance and energy.

Unlike some other awards, providers don't 'enter' the Mozo Experts Choice Awards nor do they pay to be considered. Our in-house team of experts analyse all the product data they've been tracking and scour the market to see if there are any other worthy candidates. Then we use our data and our experience to make a hard-nosed assessment of those products, to identify which offer great value or market-leading features. We recognise the leading products with the Mozo Experts Choice Awards.

- For product providers, a Mozo Experts Choice Award is a thoroughly researched third-party endorsement of their product.
- For consumers, the Mozo Experts Choice Awards badge is a sign that a product is among the leaders in the market, and is worthy of consideration.

How do we judge the winners?

Mozo Experts Choice Awards for Travel Money & IMT are awarded based on the following methodology:

Prepaid Travel Card

This category aims to identify the prepaid travel cards that give the lowest cost for a person taking a representative basket of funds overseas. We considered 6 multi-currency cards. Cards that only allow for a single currency to be loaded were not considered.

The assumptions used to calculate the prepaid card costs are:

- We assumed to load USD 2,000, EUR 1,900, NZD 3,300 onto the card, equivalent to approximately AUD 3,000 in each currency.
- Conversion rates were then collected for three currencies USD, EUR and NZD on three dates (25th, 26th and 29th May, 2023) and averaged to remove any one-off exchange rate variations.
- We then calculated the AUD that would be needed to result in the required foreign currency amounts, including the payment of certain fees.
- The below fees are also included in the total AUD amount required to spend:
 - Purchase and Initial load fee
 - Monthly fees, assuming 3 months
 - Account closure fees
 - Fees for withdrawing \$500 twice in US, EU and NZ ATMs.
- Providers were then ranked based on the lowest amount of AUD needed for the total cost.

Overall, the rankings provide a measure of the best product for Australians travelling to several of the most commonly-visited countries.

Foreign Currency Debit Card

For the Foreign Currency Debit Card award, we undertook the same scenario as the Prepaid Travel Card but applied it to multi-currency bank accounts with attached debit cards. We considered 5 different foreign currency debit cards.

Travel Debit Card

This category identifies the bank accounts with debit cards that offer the best value for people travelling overseas. To qualify there must be no monthly account service fee or regular fee for holding a debit card. Cards that did have these fees but offered a fee rebate with a minimum spend were also included.

The net cost was calculated for a person accessing funds overseas, making purchases and ATM withdrawals. We assumed spending of AUD \$2,000 comprising:

- Four ATM withdrawals
- Twenty purchases

Fees included in the calculations were:

- Overseas ATM withdrawal fee (\$)
- Overseas purchase fee (\$)
- Overseas transaction fee (%)

The analysis is based on data contained in Mozo's product database at 2nd May.

Travel Credit Card, Platinum Travel Credit Card, & Low Rate Travel Credit Card

These categories identify the credit cards offering the best value for people travelling overseas, based on the foreign exchange fee applicable to an assumed amount of purchases plus the annual fee. Where a credit card has more than one rewards program option these were only assessed separately if the annual fees varied and so made a difference to the calculation.

We calculated the foreign exchange margin that would apply for each card based on purchases totaling \$10,000. The annual fee for card ownership was then added to this cost. No introductory or conditional fee waivers were taken into consideration.

The Travel Credit Card category assessed all cards, the Platinum Travel Credit Card category assessed all Platinum cards, and the Low Rate Travel Credit Card category considered all cards with a purchase rate of less than 15%.

The analysis is based on data contained in Mozo's product database at 26th May 2023.

Rewards Travel Credit Card

For this category we identified those cards that met the following criteria:

- 0% foreign exchange margin
- Offer a rewards program
- Offer free travel insurance with activation requiring no more than \$500 spend on the card
- Provide unlimited medical cover, and a minimum of \$10,000 cancellation cover.

The cards that met these conditions were given awards.

Travel Credit Card Provider of the Year

This category recognises the provider with the best performing products across all of the Credit Card categories in these awards.

The judges considered the number of product awards won by each provider, to see if one provider stood out in terms of the number of awards and the breadth of categories won. This year there was one clear winner.

International Money Transfers

To be considered for these categories the provider must list current exchange rates on their website, those rates must be actual client rates and not interbank rates. Transfer requests were submitted on the provider site for Australian dollars converting to each of USD, GBP and EUR and the relevant results were used to calculate results for each category.

For each provider quotes were obtained for both AUD\$5,000 and AUD\$60,000 being transferred in each of the 3 currencies above.

The results of the transfer requests were normalised then aggregated to ensure all currencies and scenarios were evenly represented.

The top 4 services out of all 28 providers considered were then given awards.

Lastly, for those who prefer to use a bank for their International Money Transfers, the top bank was also given an award.

What products do we consider?

In carrying out the Mozo Experts Choice Awards in Travel Money & International Money Transfers, we analysed:

- 6 Prepaid Travel Cards
- 5 Foreign Currency Debit Cards
- 132 Debit Cards from 80 providers
- 217 Credit Cards from 72 providers
- 28 International Money Transfer services

We aim to include most travel money and international money transfer providers in the market in Mozo's Experts Choice Awards. However, not every product on the market will be included in our review.

Any product we review must be available in the market at the time of our analysis and any offers included must be available to the general public on the provider's website.

How many winners are there?

We typically aim to award the top 10% of products in each category. The judges may use their discretion to adjust the cutoff up or down as necessary after examining the difference between products at the margin.

How we manage conflicts of interest

Mozo Experts Choice Awards are awarded irrespective of a product provider's commercial relationship with Mozo.

The Awards are based on objective verifiable facts and analysis wherever possible, and any assumptions made are set out in this report. Mozo's research team analyses product data and determines the winners in each Mozo Experts Choice category without reference to Mozo's sales or commercial functions.

Providers do not pay to enter the Mozo Experts Choice Awards.

Should a winning provider wish to use the Mozo Experts Choice Awards badges in their own marketing activities, Mozo charges them a licence fee.

Mozo provides a comparison service with the goal of helping consumers to make their own financial decisions and save money. Mozo offers consumers a comprehensive product comparison service across the retail banking market, general insurance, life insurance, business banking, energy and more.

Hundreds of thousands of Australians a month use Mozo's comparison service. Mozo's comparison technology and expertise has been used by some of Australia's largest online publishers.

Mozo holds an Australian Financial Services Licence and an Australian Credit Licence. Mozo's management team have experience in consumer credit and financial services in a variety of roles from executive management, marketing, actuarial services and technology. Mozo's team are often called upon to provide expert media commentary in relation to the product areas they cover.

Our Mozo Experts Choice Awards analysis is overseen by AJ Duncanson, Mozo's Data Director, and Peter Marshall, Research Manager. AJ is a data scientist and actuary and has worked in financial services and product comparison for over 31 years. Peter has worked for a wide range of Australian banks and product comparison for the past 37 years. Both AJ and Peter act as Responsible Manager on Mozo's Australian Financial Service Licence and Australian Credit Licence.
